Sustainable cities

Actors in the Innovation System

- National Agencies
- Local Municipalities
- Regional Councils
- Research Organisations
- Industry

Actors in Cooperation

In Strategic project Collaboration

“Innovative users in an interacting e-government”

- Call for proposals (2008)
- Focus: new cooperation models, organizational solutions and digitized service supplies.
- Condition: Participation of **users**
- 9 Projects received funding for period 2008-2011 (VINNOVA 3 Million EUR, total 6,5 Million)

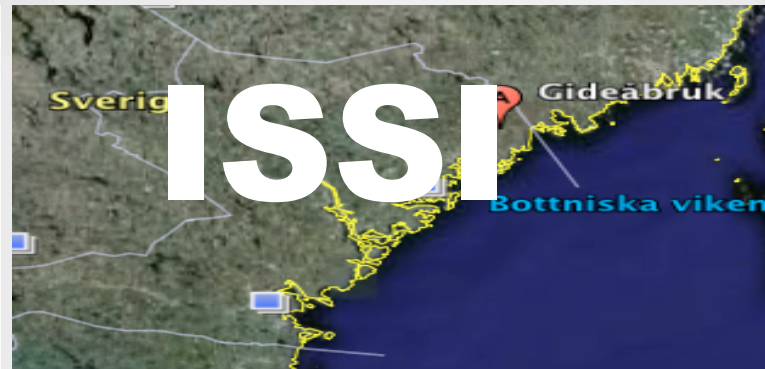

ISSI - Citizen Centric Public Service in SPAs

Goals:

- a major improvement of the level of service
- e-service literacy for citizens and SMEs in the
- sparsely populated municipality of Örnsköldsvik in
- northern Sweden

ISSI - Citizen Centric Public Service in SPAs

Örnsköldsvik is situated in the middle of Sweden approximately 500 km's north of Stockholm. The municipality

- covers 6 380 km²
- has a population of 55 000, 8,7 inhabitants per km², 35 000 live in the municipal centre, the City of Örnsköldsvik.

Virtual mall -one entrance, many shops, one cart, one payment, one transport

GALLERIAN Logga in Varukorg

Om Gallerian Butiker Produktkategorier Köpvillkor InneLandet.se

InneLandet Galleria är en webbgalleria för alla typer av produkter, det enda gemensamma är att alla butiker har sitt säte i Örnsköldsviks inland/landsbygd. Vi har här samla alla butiker som har webbförsäljning så det ska bli enklare och roligare att shoppa.

Flera shoppar – en galleria, en köpvagn, en beställning, ett paket
