GSA's mission is to use expertise to provide innovative solutions for our customers in support of their missions and by so doing foster an effective, sustainable, and transparent government for the American people

November 8, 2010

Kathleen Turco, Associate
Administrator

U.S. General Services Administration
Office of Government-wide Policy

Administration High Priority Performance Goals (HPPGs)

Sustainability Goals:

- **GREEN SUPPLY CHAIN** —Analyze responses from Top 200 Federal Contractors in the Carbon Disclosure Project's partner with EPA's Climate Leaders Program to help at least 60 Small Businesses complete their own GHG inventories
- **ELIMINATE WASTE IN ITS OPERATIONS AND ACTIVITIES.**—Increase Recycling across the inventory of Federal buildings by at least 10%
- **USE GSA INFLUENCE TO REDUCE THE ENVIRONMENTAL IMPACT OF THE FEDERAL GOVERNMENT.**—To ensure policy making embodies sustainability goals, GSA will modify government-wide policies and use GSA's goal of zero environmental footprint (ZEF) to measure impact and publish the results
