The European organization of local Government CIOs

Major Cities of Europe: *About us*

We are THE ONLY INDEPENDENT COMMUNITY of
European Local Government CIOs

We leverage ICT to INNOVATE within the Public Administration
and SERVE our Constituents

- ✓ We are early adopters sharing our own experiences about
 - Leading edge solutions
 - Technologies
 - Business models...
- ✓ We exist since 1982
- ✓ Our members are innovative Local Governments
- ✓ Our members cover most European countries
