2

The World Has Changed and...

Convergence is Here

3

The World Has Changed and...

Consumers are the new regulators

4

New World = New Policy

What's best for consumers?

5

New World = New Policy

Encourages

New Investment & Innovation

6

New World = New Policy

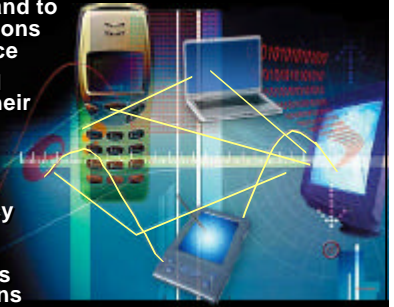

Competition & Choice

Provide
Best Consumer
Protection

Connectivity Principles

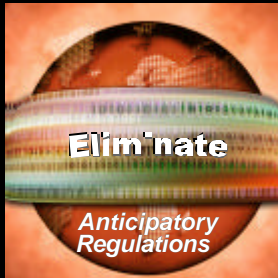

- ◆ Use broadband to run applications of their choice
- ◆ Access legal content of their choice
- ◆ Run any devices
- ◆ Transparency about functionality & capabilities of connections

8

New World = New Policy

Eliminate

Anticipatory
Regulations

New World = New Policy

Remove barriers
to video entry
