

# An Eco-Design Center in Sophia-Antipolis

Chrystel SIMONE  
EcoDesign Manager  
CARMA  
[simone@carma.fr](mailto:simone@carma.fr)

# CARMA: regional cluster in advanced materials & eco-design - FRANCE

**Centre  
d'éco-conception**

*Regional Cluster in materials  
(Networking with other regional clusters)*

**CARMA**

*Centre d'Animation Régional en Matériaux Avancés*

**1994**

**2007**

**2009**

**2010**

# Eco-Design Center

## Missions of EDC

Promote eco-design to regional companies and develop new products:

- Information
- Trainings
- Development of eco-designed products

# Eco-Design Center

## Promote Eco-Design:

- Showroom
- Conférences
- Workshops
- Médiathèque

# Eco-Design Center

## Development of new products:

- Market analysis
- Design (CAD)
- Technical study
- Prototype
- Marketing & communication

# Eco Design Center partners: industries and clusters

## Energy

(Capénergies, SAED)

## Spatial

(Pégase, Eurocopter)

## Buildings

(BDM, Cari)

## Electronics

(SCS, --)

## Food industry

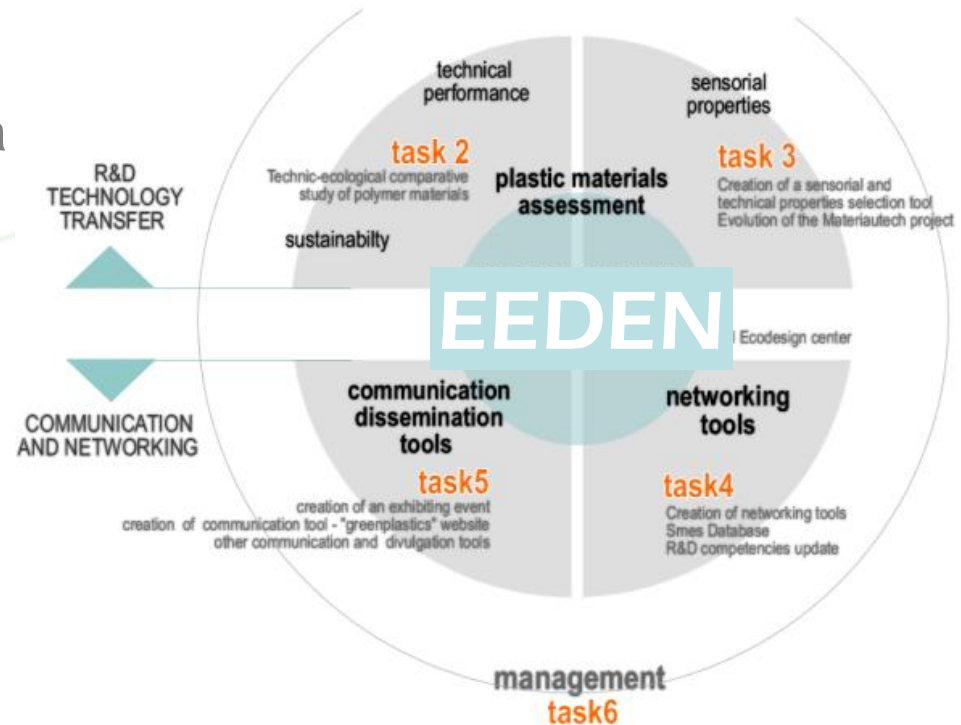

(PEIFL, --)

# EDC networks

## EEDEN: Promotion and development of eco-design in plasturgy

- France, Italy,
- Morocco, Tunisia, Algeria

# EDC networks

## Euro-mediterranean projects:

- MATEN: identification of regional skills in renewable energies technologies & materials, development of euro-mediterranean projects for RE implementation

➤ France

*cap***e***nergies*

 Sophia Antipolis Energie  
*Développement*

➤ Italy, Switzerland, Tunisia
