

POP-NET

Pan European eParticipation Network

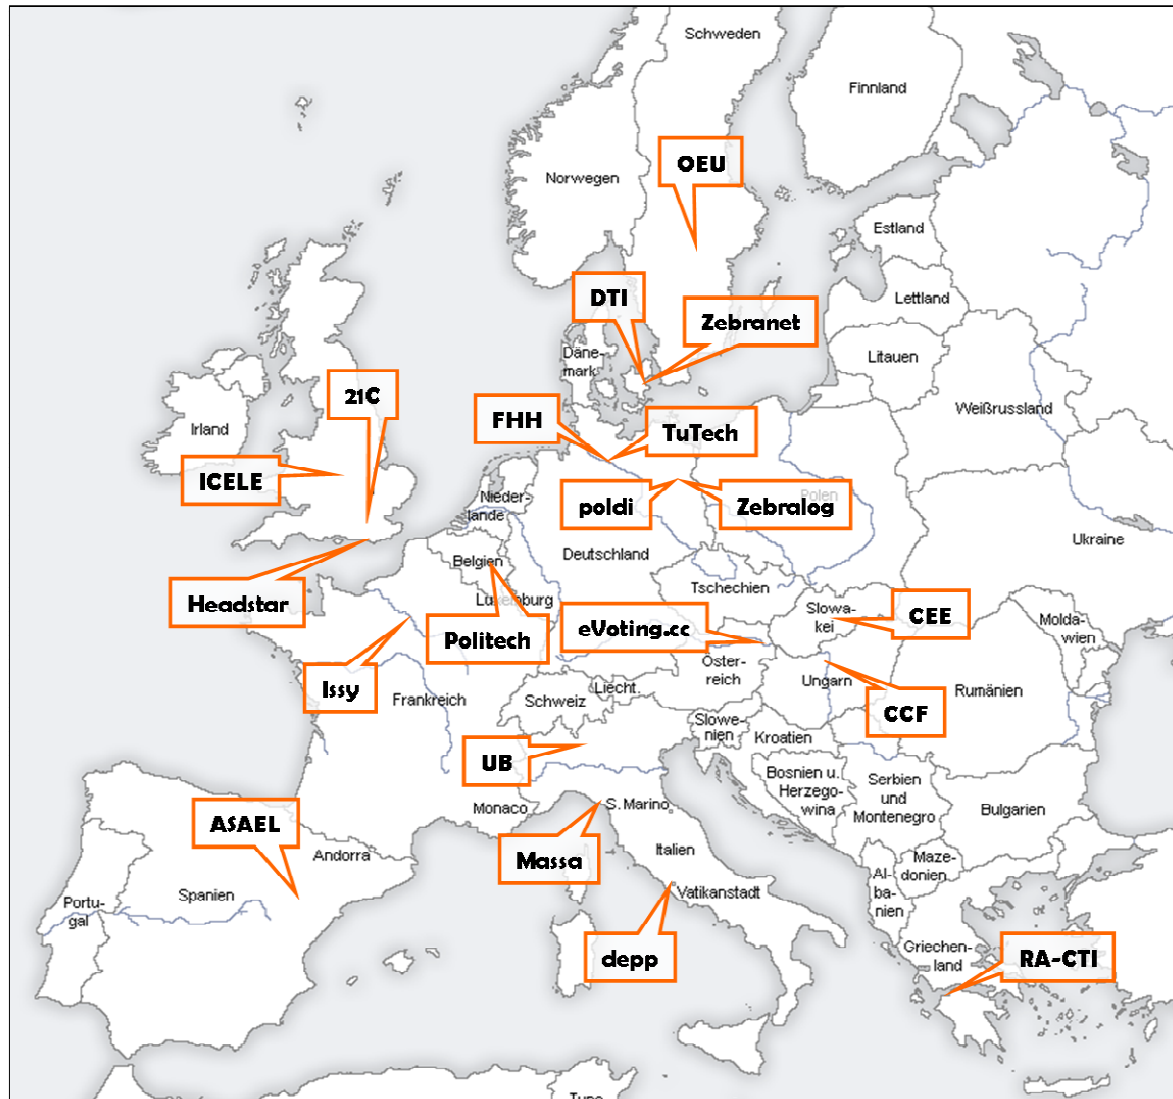

21.10.2008

1

Main objectives of PEP-NET

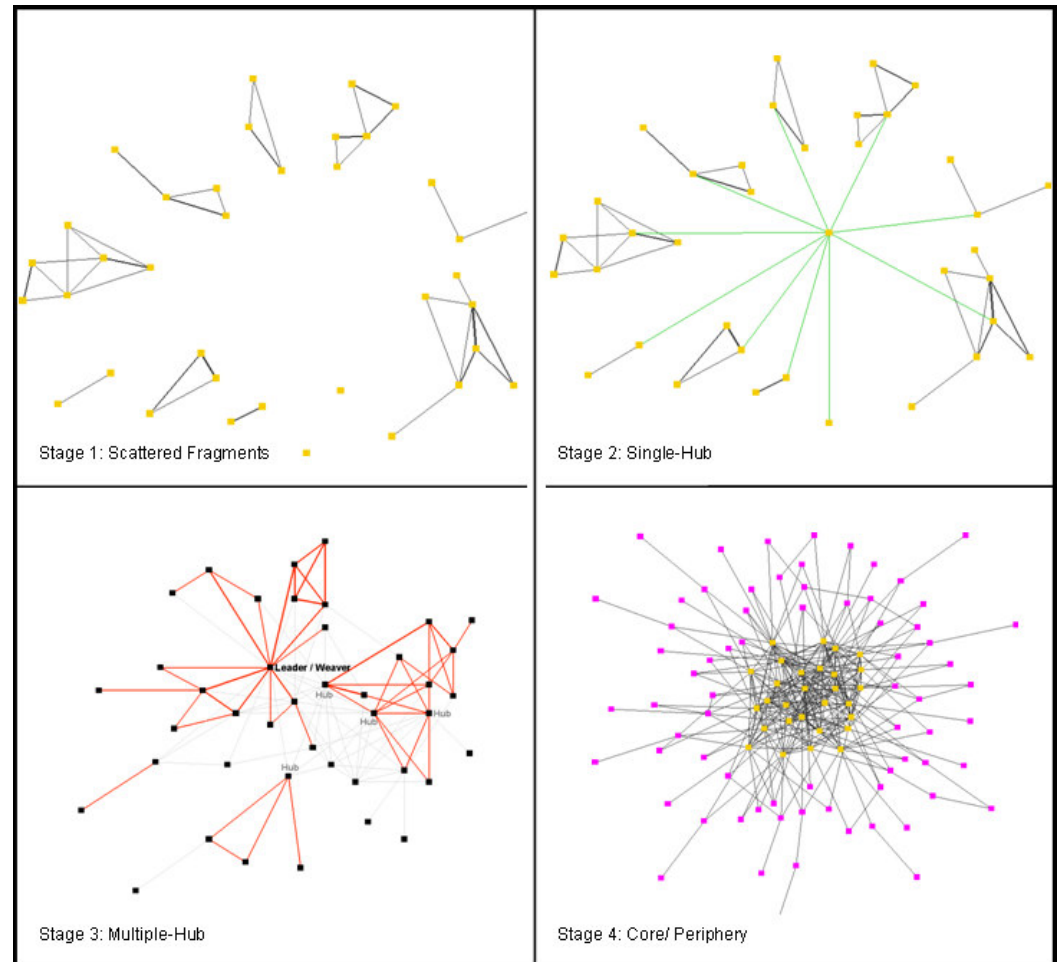

- Creating cross-border links between local and/or regional eParticipation projects
- Developing a network of expertise, sharing experiences, approaches and tools, raising awareness and contributing actively to the European good practice exchange portal and other eParticipation activities
- Create awareness for the topic among all relevant stakeholders
- Building synergies with actions supported in particular by the Commission concerning the Information Society and Regional development policies.
- Facilitate cooperation and business relationships among the members

Spread of partners over Europe

Method of network growth

- start with 20 partners (Scattered Fragments)
- 30 partners after 12 month (from Single-Hub to Multi-Hub)
- 45 partners after 24 months (Multi-Hub)
- 70 partners at the end of the project duration (Core/ Periphery)
