

The background is a solid dark blue. It features several faint, light blue circular graphics. These include concentric circles with arrows indicating clockwise or counter-clockwise rotation. Some of these circles have radial lines or tick marks, resembling a compass or a gauge. The circles are of varying sizes and are scattered across the frame, with some overlapping.

THE GLOBAL FORUM 2014

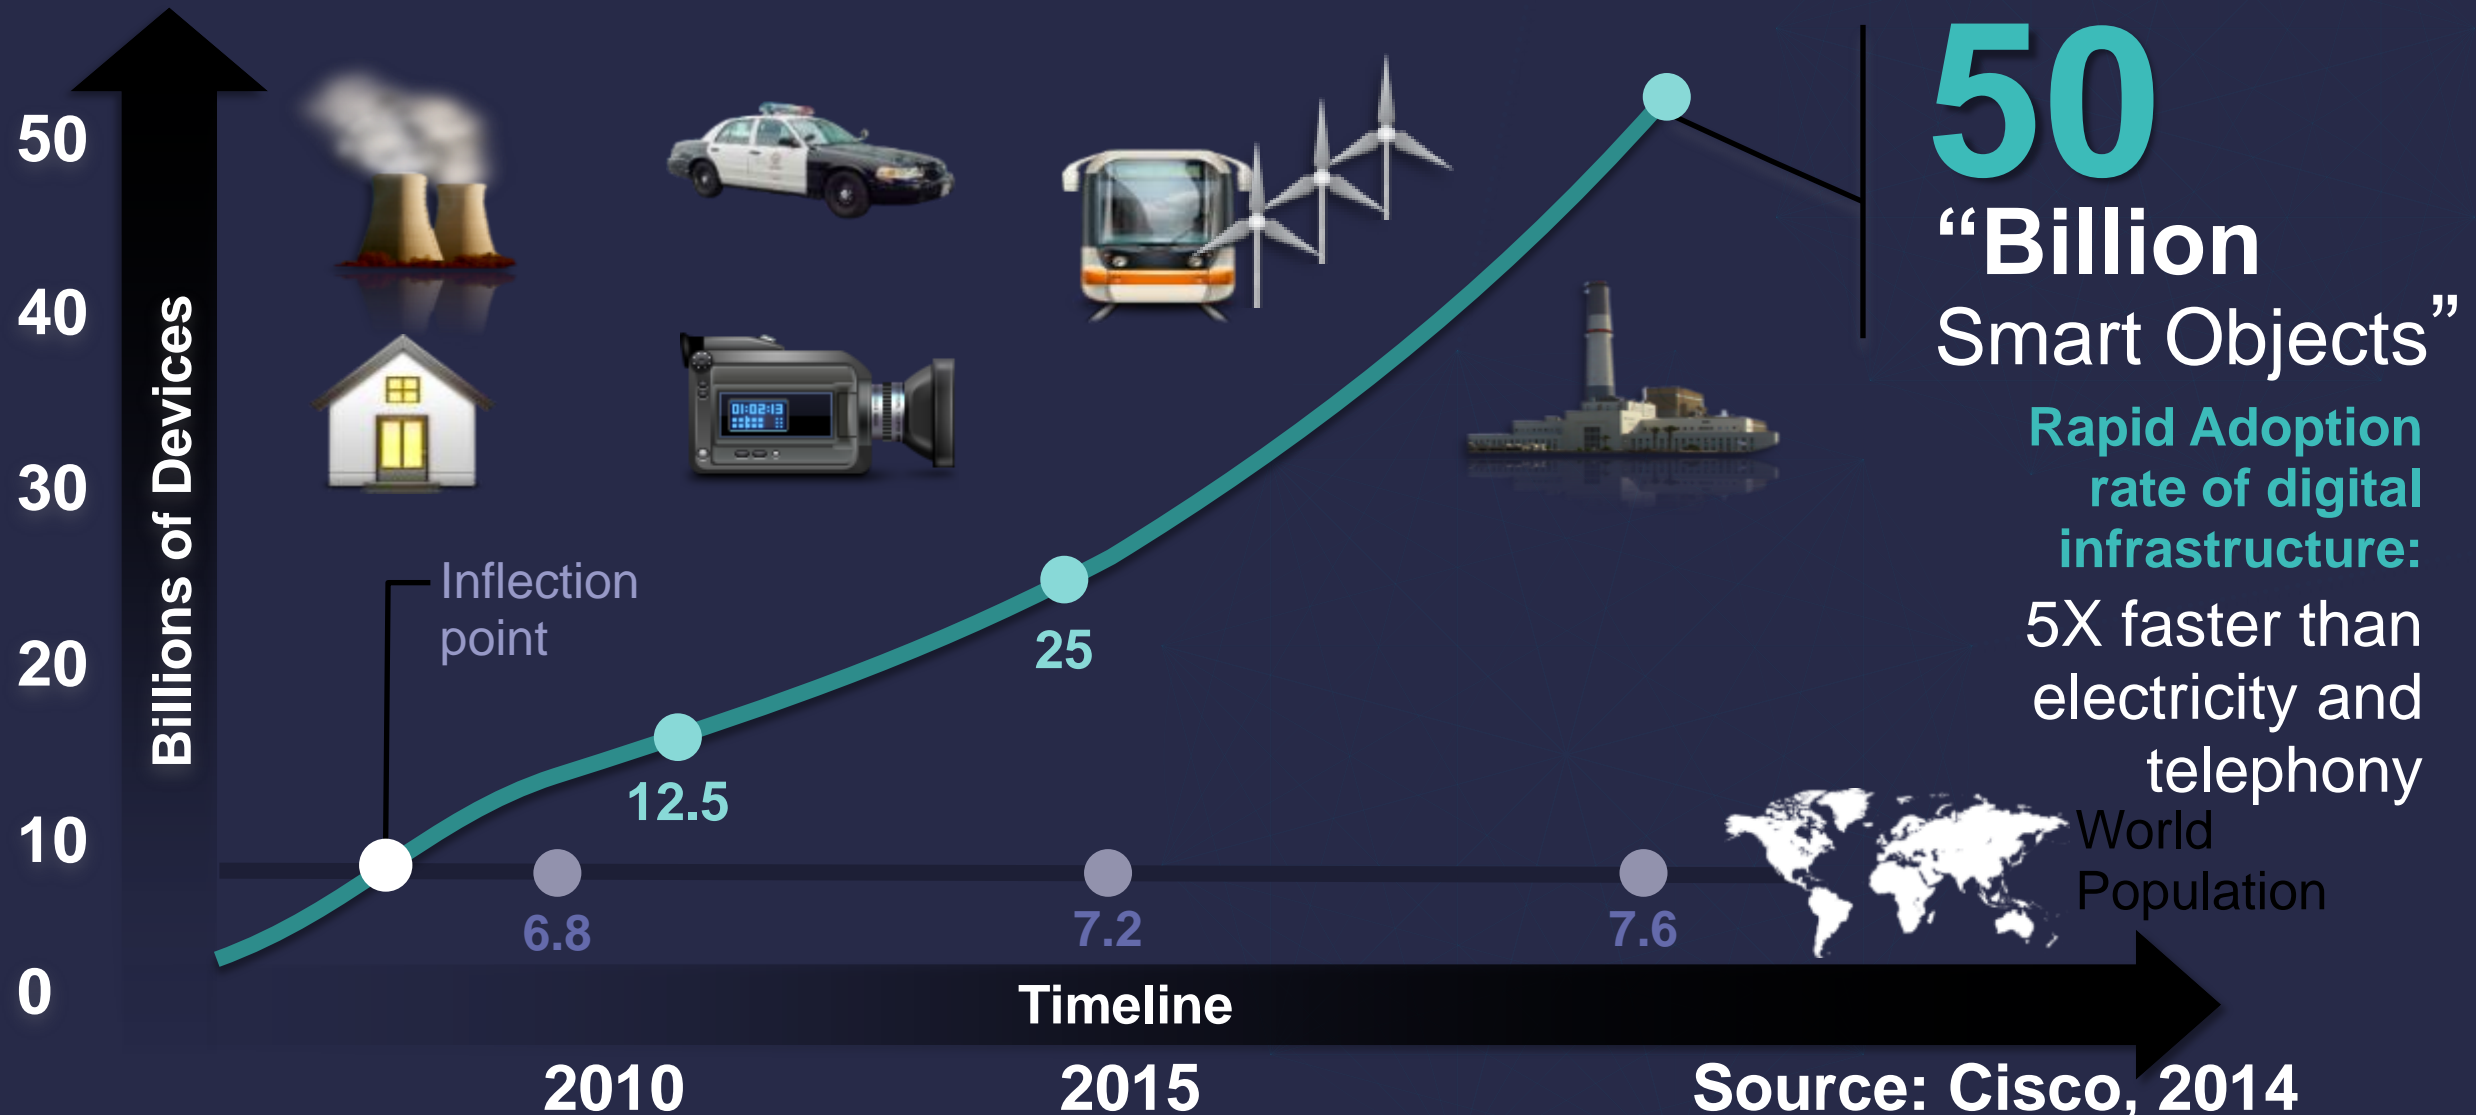

THE POWER OF DATA AND THE INTERNET OF THINGS (S9)

2013 – FOR THE VERY FIRST TIME –
MACHINE-TO-MACHINE
COMMUNICATIONS SURPASSED HUMAN
COMMUNICATIONS!

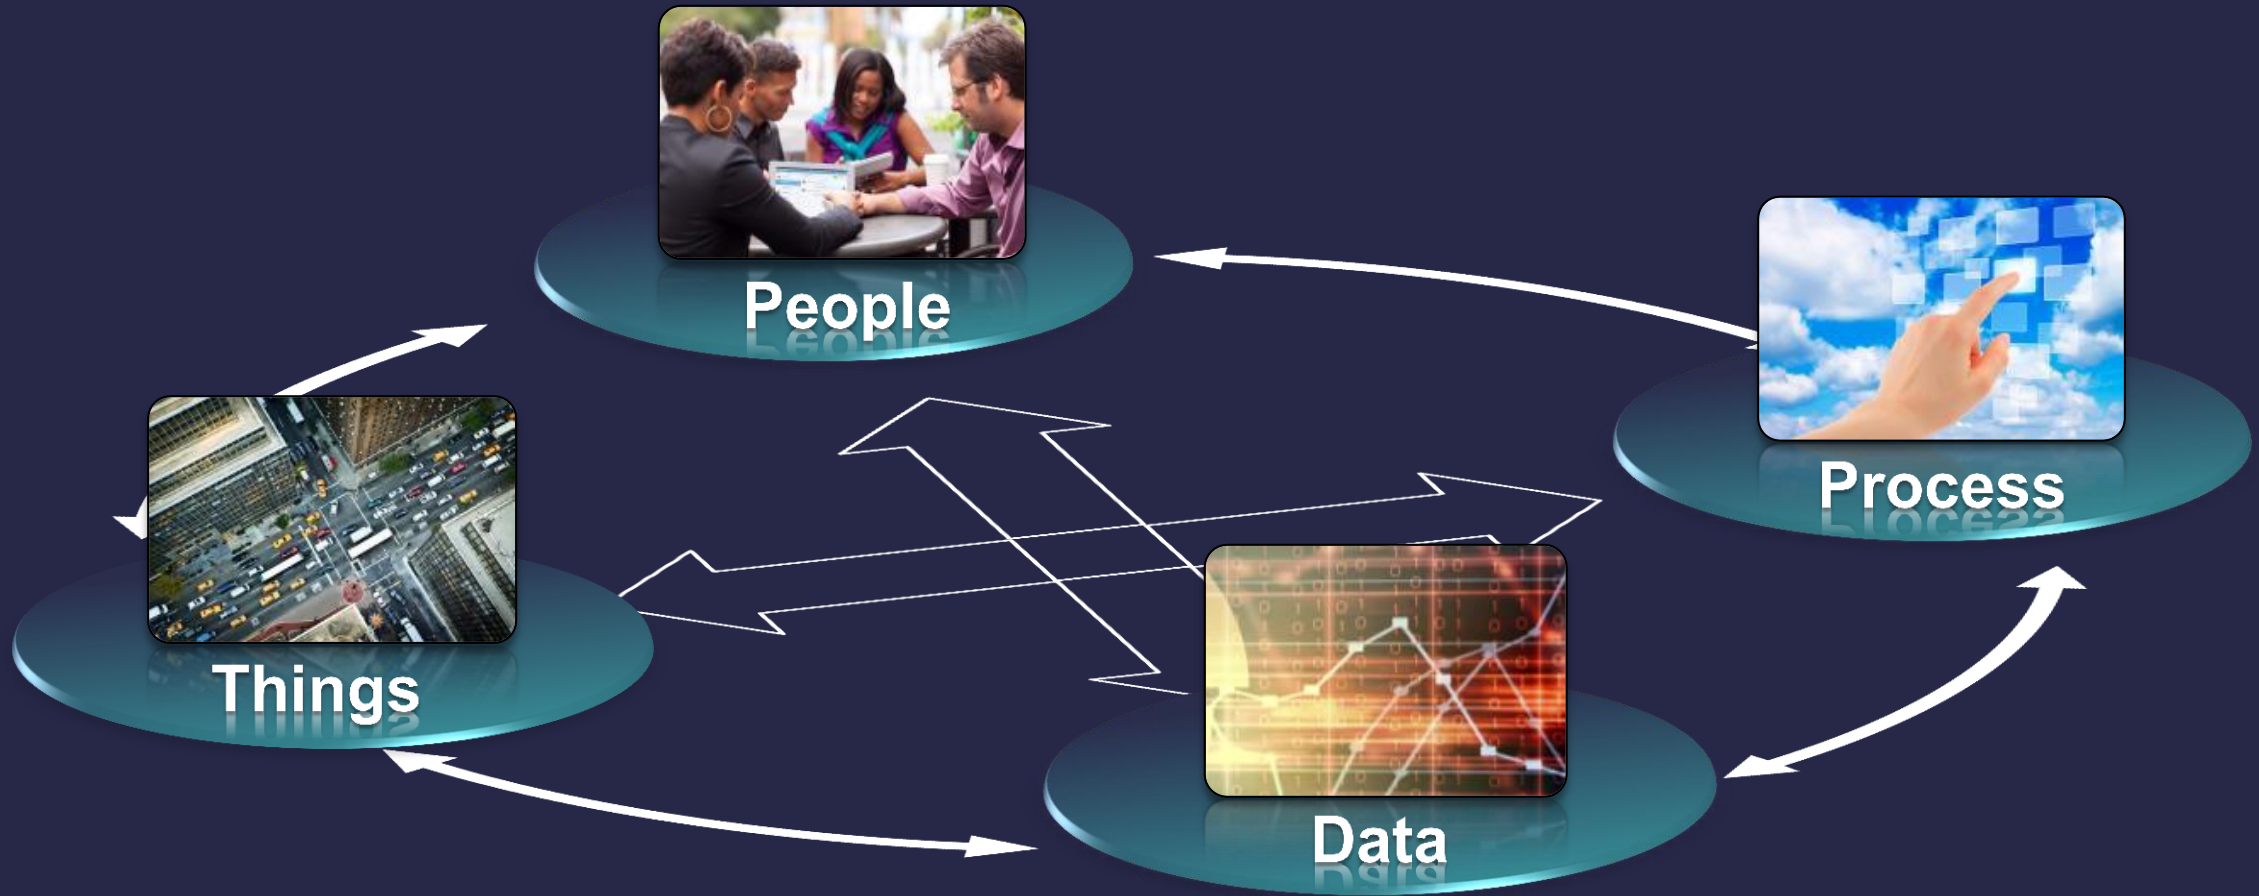

People create 2.5 quintillion bytes of data
every day

Increasingly Everything will be Connected to Everything

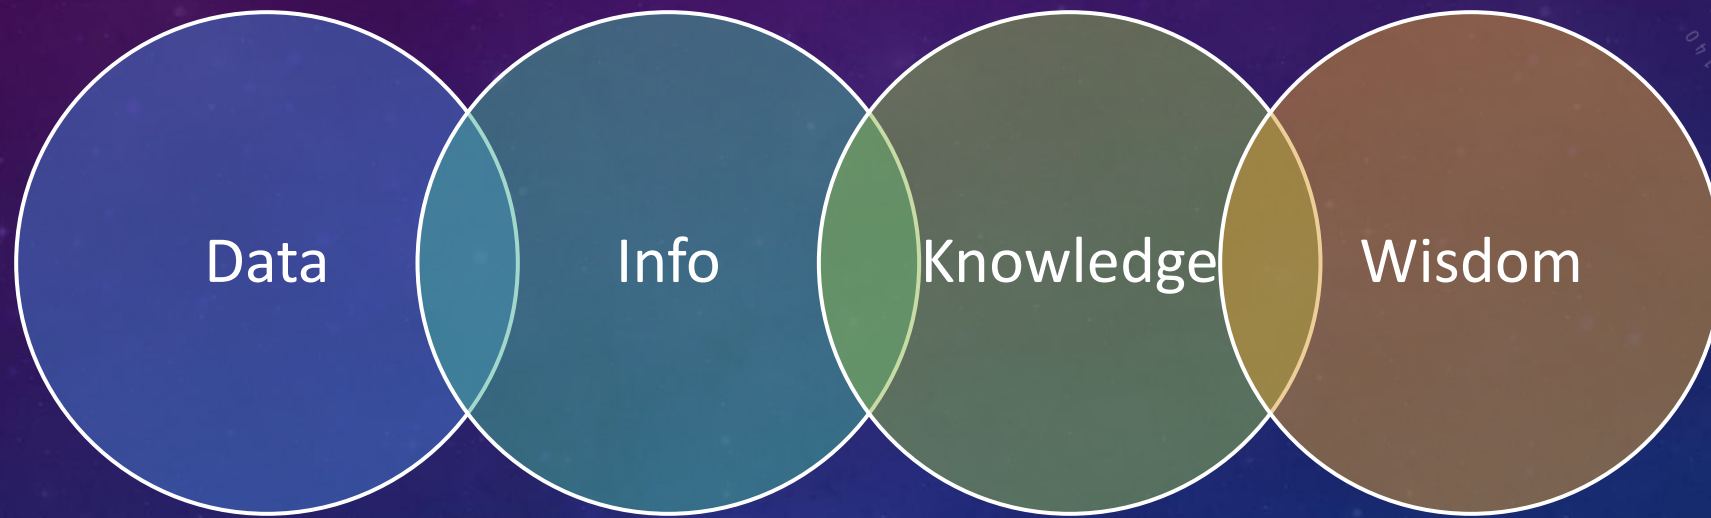

The Internet of Everything

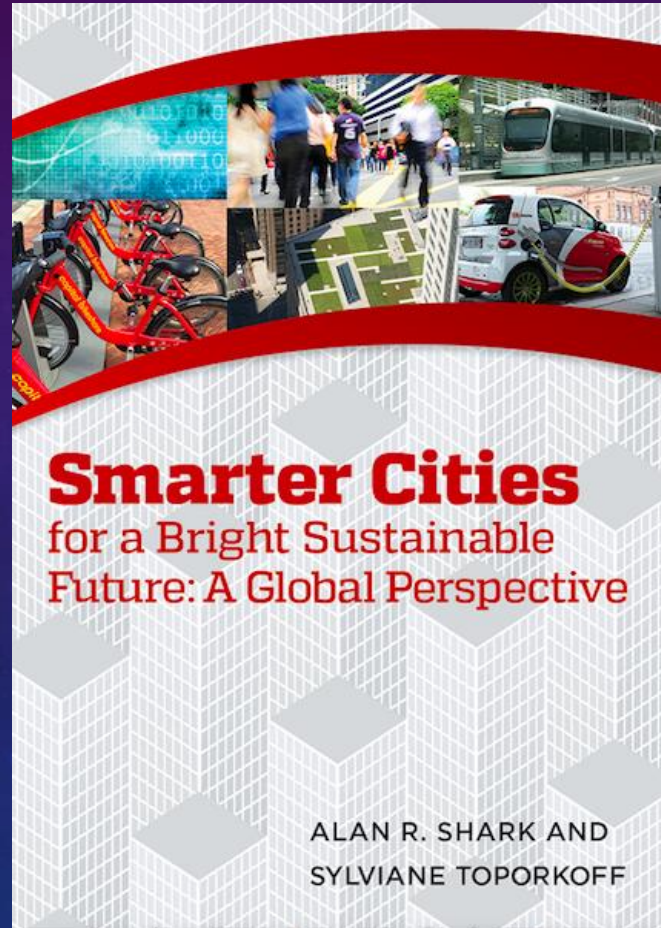

Includes cities, agencies, and verticals such as healthcare, education, defense
