DIGITALIZATION: THE GLOBAL TRANSFORMATION

Monday 19th & Tuesday 20th
September 2016

Evuon Center, Eindhoven, Netherlands

Why you should join the GF network

- To confront your ideas and visions with other leaders and decision-makers of governments
- To generate new ideas and new projects for sustainable growth
- To create a network for implementing the Digitalization
- To communicate not just as competitors but as cooperators

International press

- **The New-York Times:** *«Called the Davos of IT after the prestigious Swiss economic-policy meeting, Global Forum focused on issues of digital trust and identity, the frantic international race for broadband leadership, and pressures for regulation in a world enduring economic crisis »*
- **Networkworld:** *«Global Forum sees information technology driving recovery and boosting democracy. Global Forum's themes track world's trends in the information and communication industries. Attracting invited participants from 35 countries repeatedly emphasized this year's theme on the Digital Future*
