City of Salo

- City region hosts 54 000 people of 89 nationalities.
- Over 2 million Finns live within 1,5 hour radius.
- All major airports, seaports and road transport hubs are at easy reach.
- City is much bigger than its actual size because of rich history as the leading global hub of wireless technologies, "the birthplace of mobile phone".

Freeway connections:

- To capital area 1,5 hours drive
- To Turku 30 minutes drive
- Busses every hour

Train connections:

- To Helsinki 1,5 hours
- To Turku 30 minutes
- Trains leave every hour

Air connections:

- International airports in Helsinki, Turku and Tampere
