Strong Feedback

- **The New-York Times:** *«Called the Davos of IT after the prestigious Swiss economic-policy meeting, Global Forum focused on issues such as digital trust and identity, the frantic international race for broadband leadership, and pressures for regulation in a world enduring economic crisis »*
- **Ingrid Andersson**, CEO, Corporate Wellbeing, Oman & Senior Advisor, IKED, Sweden: *“I would like to congratulate you on the tremendous success of GF in Copenhagen! Indeed you managed to gather a fantastic crowd with many interesting profiles including experts from a great diversity of different ICT perspectives. I interacted with numerous participants who were praising the event. A fantastic achievement!”*
- **Marta Arsovska Tomovska**, Minister of Information Society and Administration, Macedonia : *”Thank you once again for your kind invitation. It was a real pleasure to meet you, your Global Forum family is amazing and I am proud to become part of it. Please let me express my deepest appreciation of your work around the Global Forum, but more important, let me tell you that I am inspired by you, your brains, spirit, and energy!”*
- **Yannick Fourastier**, Innovation manager, Industry design & cybersecurity, Airbus Group Innovation: *“Beyond just congratulate you for the very nice quality of the organization, I do not dare to imagine the scale of the task for the preparation besides the energy spread behind the scenes. In all sincerity, I really appreciated a lot the quality of the people that I was able to meet thanks to you. There is a "functional" quality, the one who pragmatically allows to envisage, to do concrete things beyond the Forum. And then there is a human quality, the one thanks to which was born the pleasure of the good company. A conviviality that I savored, a "spirit of the party" which results largely from your personalities. Thus obviously, bravo to both and to those who surrounded you for this success! Among the people I met, we plan to develop relations.”*

Strong Feedback

- **Janne Elvelid**, Public Policy Manager Nordics, Facebook, Sweden: *“It was a great pleasure to meet you and the other participants. Let’s keep in touch!”*
- **Julia Glidden**, General Manager IBM Global Business Services, USA: *“Thank you so much for once again bringing together such an amazing group of people - and making the Forum so very special yet again. Your vision and dedication to the Forum has truly enriched my mind.”*
- **Andre Laperriere**, Executive Director, GODAN Global Open Data Initiative for Agriculture and Nutrition: *“Congrats for what was a most successful event”*
- **Eric Legale**, Managing Director, ISSY MEDIA, City of Issy-les-Moulineaux, France :” *Once again bravo for the 2016 edition of the Global Forum. The quality of the speakers & the networking taking place there are precious plus point for the GF.”*
- **Samia Melhem**, Global Lead, Digital development Infrastructure and PPP Global Practice, The World Bank Group:”*Bravo for the GF 2018. Excellent in every aspects of it. One of the best in which I participated. Congratulations.”*
- **Radoslav Repa**, Digital Single Market Initiatives under the Slovak Presidency, Permanent Representation of Slovakia to the EU: *“Thank you very much for a possibility to actively contribute to the success of your challenging event. For me it was a great occasion to discuss a bit different topics than usual and to meet other people.”*
- **Raphael Schoentgen**, Director Research and Technologies, ENGIE, France : *“I wanted to thank you for the Global Forum. I found very interesting the possibility to discuss in a prospective way of the future of a number of technological topics. The quality of the presentations & participants was really appreciable to feed those thinking. Thank you for your feedback and thank also to all persons who ensured the success of the forum.”*
