1ST INTERNATIONAL CONFERENCE FOR MULTI-AREA SIMULATION
#ICMASim 2019

8-10 OCT. 2019 ANGERS FRANCE

ICMASim 2019 : Previsional Programme

Tuesday 8th of October 2019

11:00 am	Opening of the participants' registration		
13:30 pm - 14:15 pm	Participants arrival - Welcoming		
14:15 pm - 15:15 pm	The New Perspectives of Simulation - Opening Plenary		
15:15 pm - 16:45 pm	E-Health Parallel Session	Industry 4.0 Parallel Session	(Option) Parallel session
16:45 pm - 18:30 pm	Coffee Break Workshops Key moment "Exhibition, Village Start-Up, Experience Lab"		
19:30 pm - 23:30 pm	Gala Evening Cocktail at Jean Lurçat Museum Dinner at Grenier Saint Jean		

Wednesday 9th of October 2019

8:30 am - 10:00 am	Extreme conditions : Simulation and space exploration, simulation and radioactive environment. Plenary session - Open to the public		
10:00 am - 10:30 am	Coffee Break Exhibition, Village Start-Up, Experience Lab		
10:30 am - 11:30 am	Simulation and transports Parallel session	Tools linked to simulation : supercalculators, virtual technologies, artificial intelligence, applications, viewing Parallel session	Economic issues of simulation Parallel session
11:30 am - 12:30 am	The ethic linked to Simulation Parallel session	Simulation and product creation Parallel session	Simulations' interconnections Parallel sessions
12:30 am - 14:00 pm	Lunch E-poster "pitch" Workshops, Exhibitions, Village Start-Up, Experience Lab		
14:00 pm - 15:30 pm	Simulated training : Evaluation, learning , pedagogy in order to develop technical or non technical skill (Human factor) Plenary session		
15:30 pm - 16:00 pm	Coffee Break Exhibitions, Village Start-Up, Experience Lab		
16:00 pm - 17:00 pm	Simulation and cyber security Parallel session	Simulation serving crisis management Parallel session	To the high fidelity from the all virtual, avantages and drawbacks Parallel session
17:00 - 18:30	Simulation and risks prevention - Plenary session		
18:30 pm - 19:00 pm	Closing with the "communication trophy" and the "Start-up" price
